### BAND STORY

"Canadian singer-songwriter Christian Gallant is intense, enthusiastic, passionate and bursting with energy. His music is pleasing to the ear with catchy lyrics that are easy to remember and help convey his passion for his craft. his versatility as a songwriter and features a remarkable mix of his songwriting abilities. Whether it be the haunting and sorrowful Tempete, the powerful message within Prends le temps, or his pop-rock hook-filled Love's Never Love and The Walk of No Return, each possesses modern arrangements and is surrounded by Christian's soothing yet melancholic vocals. In the last year, all three of Christian's French singles from his debut album Tempete have soared the charts of French radio stations across the Maritimes. "
