

Eletria

BAND STORY

""Je suis deja morte trois fois. Mais je survivrai! Oui! Je survivrai! Je lui ai promis. On m'appelle Eletria." Ces mots durs et pourtant remplis d'espoir sont enonces avec aplomb par une jeune fille au destin tragique.

ELETRIA, c'est l'histoire d'une adolescente reveuse et idealiste, piegee par la vie et les hommes. Une jeune fille qui, malgre les coups durs, a su se rebatir en affrontant les epreuves avec assurance et determination. Une jeune fille, enfin, qui se livre pour que tous sachent qu'il y a de l'espoir et bien des raisons de survivre. ELETRIA, c'est un disque et un spectacle racontant cette histoire poignante. Une musique a la fois envoutante, rageuse et parfois violente. Des textes d'une verite crue qui se veulent le reflet le plus juste d'une destinee tragique. ELETRIA se livre sans pudeur, relatant cette vie fascinante mais o combien dramatique. Elle chante sa passion et ses drames. Elle crie son indignation et sa colere. Elle hurle sa douleur et son desespoir. Et pourtant... Elle survit! Et vivra encore! Malgre eux, pour elles, avec lui...

"I have already died three times. But I will survive! Yes! I will survive! I gave him my word. They call me Eletria." These words, as tough as they may seem are filled with hope, told with some nerve by a young girl with a tragic life. ELETRIA, it's the story of an idealist but yet naïve teenage girl who was deceived by men and life. A young girl who - despite the blows - was able to overcome the brutal hardships she encountered with courage and confidence. A young girl who tells her life so that everyone can understand there is hope and many reasons to survive. ELETRIA, it's a record and a stage-show telling this poignant story. Spellbinding music, sometimes filled with anger and even violence. Words telling a tragic destiny in its own blunt truth. ELETRIA opens up without shame, telling all about her incredible but dramatic life. Dramas sung with passion. She yells her indignation and rage. She screams in pain and despair. And yet... She survives! And will keep on living! Despite the men, for the women, with him..."
