

# Existence

## BAND STORY

"EXISTENCE is a unique concept where music and images - real or surreal - are tightly linked in a perfect blend of diverse sensations and emotions. EXISTENCE is a team of artists working together to create different musical concepts. Each of them, with his (her) different influences, adds to the many colors and flavors distinctive of EXISTENCE. EXISTENCE lives and breathes on its own. It's more than the sum of its constituents. EXISTENCE is its own entity. For EXISTENCE, no race, no religion, no language barriers. The boundaries are far between, non existent even; it's a free world. Live the Experience..."
