

Gary O' Connell

BAND STORY

"Late in 2007, Halifax's Gary O'Connell released his first solo instrumental Cd for nylon string guitar titled; Gary O'Connell - Guitar. Included are seven original compositions and seven arrangements of some classics (some seeing first light ever on solo guitar). One of the compositions, (Waltzin' With the the Blues) won a semi final spot in the 2007 British Songwritng Contest. Gary has received acclaim and support from top notch players around the world including guitar maestro Julian Bream, Jan Akkerman, Jouni Stenroos of Finland and other classical players abroad. With the personal and artistic success of his first cd, he is currently working on a new more expansive upcoming Cd of all original works with the sea as the theme. "
