

Lennie Gallant

BAND STORY

"This prolific songwriter/performer has released 7 albums (6 English, 1 French), which have won him a host of awards and nominations from The Juno Awards, East Coast Music Awards and the Gala des Prix Eloizes. He has composed songs for theatre, television, documentaries and special events. His songs have appeared in feature films and on hit television series'. He is considered one of Canada's best songwriters, both in English and French. "On his latest album When We Get There, he takes the listener on "a literary and musical journey that never fails to surprise and intrigue." Reviews say this may be his best album yet! When We Get There was nominated for a 2007 Juno Award!"
