

March Hare Band

BAND STORY

"March Hare, one of Canada's most successful and sought after bands, is always busy performing at special events, corporate events, clubs and casinos, and festivals. They were recently congratulated as fan choice at Canada's largest music festival MountainFest for several years." March Hare is pleased to announce the arrival of their new original CD Wonderland Polished and produced, it features the single "Whoop It Up." This is a follow up to their successful previous release, Running in a Dream. www.dawnhazemusic.com www.marchhareband.com "
