

savoury

BAND STORY

"A new band formed in early 2009, that grew out of a solo project for singer/songwriter, Mark Savoury (formerly of Booming Airplanes & Tall Poppies). They've hit the Halifax music scene running. Mark, Greg, Chad and Andy have created a sound that mixes folk, rock, pop and alt-country together. Right now they're focusing on writing, recording and honing their live show. Their debut EP was released October 3rd. Plans are already in the works for a full-length follow up album."
